Farhan Basheer

Computer Operator / Office Coordinator at Azad Kashmir Transport Authority.

I'm a 26 years old Graduate from Preston University in the field of Computer Sciences.
I am a Computer Operator in a Public Sector in Azad Jammu & Kashmir.
I'm also a part time freelancer working as a software developer.

I'm good in following technologies.
- Dot net framework.
- C-Sharp.
- Python.
- Vb Dot Net.
- Visual Studio.
- Java EE.
- Microsoft Office.

Besides of freelancing i am also working as a Software Team Leader for Solution Creators and Photomate. Both are remote companies situated in China and USA respectively.

I am available for any work related to these technologies.
